Match Report

St Marys U11s 11 v 1 Ulidia U11s

St Marys continued their recent great form with a comprehensive win over their South Belfast opponents. The Glengormley men began powerfully putting Ulidia under pressure which paid off early with goals from Stewart, Teer and McNicholl.

To their credit Ulidia fought back and a defensive mistake allowed them to pull one back midway through the first half. St Marys finished the half strongly with Stewart and Teer completing their hat tricks and Kingsmore netting his first goal of the season.

The second half followed the same pattern with St Marys piling on the pressure which paid dividends with further goals from Kingsmore, McNicholl and McBride. Another strong performance from the ever improving U11s.
