**St Mary's FC 0      Rosario 6**

Another hard task for the St Mary's boys as they faced a Rosario team who are challenging strongly for top spot in the league and indeed who inflicted a heavy defeat earlier in the season.

However, whilst St Mary's made no great attacking contribution early in the game they did exhibit a tremendous spirit and with the first half nearing completion the scores still remained 0 - 0.

Unfortunately 2 slips suddenly turned the game leaving Rosario to reach half time 2 - 0 ahead.

The second half then proved a steep mountain and despite the brilliant efforts of Conor Maitland and Owen McGrath in particular further mistakes and suspect offside decisions Rosario took the breaks to finish easy 6 - 0 winners at the end.

So a good first half performance but faded second 30 minutes summed up the day. St Mary's have now faced the Premier league's top sides over the last number of weeks. It's hoped an opportunity to play some of the teams lower in the table will now help the boys gain some better results and a bit of confidence after a bleak season to date.
