ST MARYS Striker's versus BARN UTD

SATURDAY 11TH FEBRUARY 2011

This was to be the first outing for St Mary's after the Christmas break at The Pavilion Playball Pitches, Newtownards Road. The opposition for the match was Barn Utd.

The first period was evenly matched with Barn attacking from the start with the defence of Jamie and Oliver holding, but as time passed the shots on goal increased resulting with a number of fine saves from keeper Conor ensuring it was level

St Mary's broke away on a counter-attack and had a great effort for Darragh but the effort was snuffed out and Barn then came attacking again. Midfield had some excellent battles with Fiontann and Eoin holding and then passing the ball well, as time passed St Mary's attack faded and again St Mary's keeper Conor kept Barn at bay

Odhran McA made great tackles when called for and even had an effort pushed just pass the post but the pressure eventually paid off for to Barn Utd as they took a well-constructed goal

The Best move of the match showed four St Mary's Players passing with one touch (Oliver, Eoin, Odhran McA and Jamie) and allowing Fiontann to rifle home an excellent shot

A few changes to the positions for the next period showed some settled football from David and Odhran k, but St Mary's could not get the breakthrough they deserved

The Last period was similar with St Mary's trying shots from Niall, Darragh,, Odhran and Oliver but the Goalkeeping of Conor gave him the Man of the Match
