St Mary's Strikers vs. Albion

Another Saturday at the Ballysillan and another solid display from St Marys FC strikers. They were up against a stubborn Albion star who defended well against the strikers. The lads started off with a surge of midfield runs Chris McAuley working his socks off covering a lot of ground. There was not too much goal action with both teams solid in all areas, with Darragh Johnson in goals he didn't get a single shot to save in the first period. Fionntan Lyttle and Fionn Nagle holding a tight defence not much got past those two.

Connor Mowbray making things happen in midfield with powerful running, a goal was not too far away David Smyczek playing down the left causing a lot of problems. It wasn't until the final period that St Marys strikers got there reward, some great running from Chris McAuley cutting in down the right skating past a couple of Albion players before unleashing a powerful shot into the bottom corner. Another player who ran his legs off was Connor Quinn who was firing the ball into the box which Darragh Johnson was unlucky on a couple of occasions not to score. Oliver Morrow had a great game slotting in well in defence making some important tackles. Connor Eastwood who played out of goals for the first period made some important tackles before putting his gloves back on, making a great save at the end of the match. Credit to all the lads with another fantastic display.
