U17

St Marys FC 3-1 Crumlin Utd

St Marys u17's got there 2012/2012 season off to a winning start today with a win over a much improved Crumlin Utd team!

Matthew Harvey and Cormac Ross with a brace earned the victory for the saints on the day!

In wet and windy conditions at Mallusk playing fields St Marys did their best to try and play good attacking football! The first half was mainly dominated with the saints putting pressure on the Crumlin defence with good work down the left hand side from Matt mc Cann and Connor Magee! Crumlin didn't test the St Marys defence much but where dangerous on the break away.

The second half was a similar story with St Marys having the greater possession and two brilliant individual goals from Cormac Ross while Crumlin grabbed a goal in-between .

Some good individual displays from Michael Donnelly and Luke Kelly as well as the two strikers opening their accounts for the season. A solid start that will hopefully be a great season for St Marys u17s.
